- DGS/DPR construction project
- Ward: 8
- Budget: \$2.25M
- Design Completed
- Location: 1898 Stanton Terrace SE

The Department of Parks and Recreation (DPR), in partnership with the Department of General Services (DGS), is scheduled to renovate the Douglass Community Center to bring the site and building into compliance with the 2010 ADA Standards for Accessibility in Design.

The Douglass Community Center is located at 1898 Stanton Terrace, SE, DC 20020 and is approximately a 4,494 square-foot building. The renovated community center will feature updated multi-purpose rooms, restrooms, an office, storage and teaching kitchen. Site improvements will include rear access from 20th Street.

The renovated community center will also feature new security windows, architectural finishes, interior lights, new HVAC system, and new storefront entrances.

Exterior work includes refinishing of basketball courts, service access road, regrade and repaving a portion of the bicycle path and landscaping work adjacent to the building's main entrance.

Construction Start: Spring 2016

Construction Completion: Summer 2016
